

Commissioner Gene Evans – 5th District

Hello I am Commissioner Gene Evans representing the 5th District.

My service to Cheatham County includes 2 terms as Alderman, Vice Mayor and appointment as Mayor in the municipality of Pegram, Tennessee.

I began serving as County Commissioner in the 5th district by appointment and was elected into office in 2014 for a four year term and seeking re-election for the 2018 election.

As the 5th District Commissioner I work on the Industrial Board, Agriculture Board, Beer Board, Capital Improvements, Road and Bridge and Emergency Services.

Serving as the 5th District Commissioner is a privilege and my goals are to keep taxes low while maintaining operations. I support quality growth by attracting new business to Cheatham County to increase our sales tax revenue.
