

Got Paint?

What type of paint is it?

Latex

Oil-Based

Use It

- Let someone else use it
- Donate it to a theater
- Mix it to make another color

Dry It

- Air dry (less than 1 in. of paint)
- Use store bought hardeners
- Use solidifiers (cat litter, sawdust, shredded paper)
- If it's too full to add a solidifier, line a cardboard box with a plastic trash bag and pour paint in with the solidifiers.
